operations; fulfilling our legal, contractual obligations or obligations relating to internal and external procedures which we are subject to; responding to requests which are binding legally and which are received from authorized public or private institutions; making evaluation relating to purchased products and services.

3. METHOD AND LEGAL REASON FOR COLLECTING YOUR PERSONAL DATA

If you contact our Company, your personal data shall be collected in electronic and/or physical environment, by means of business cards, open internet sources, fax, mail, e-mail, phone, communication center, website, and corporate social media channels.

In addition, your personal data shall be collected based on the reasons for the fulfillment of the legal obligations set forth in articles 5 and 6 of the Law; legitimate interest; establishment and performance of a contract; establishment, use, and protection of a right; and receiving your explicit consent, if any.

4. AS A DATA SUBJECT, YOUR RIGHTS AS MENTIONED IN ARTICLE 11 OF THE LAW

We hereby notify that, as a data subject, you have the following rights according to article 11 of the Law:

- To learn whether your personal data are processed or not,
- If your personal data are processed, to request information in relation thereto,
- To learn the purpose of processing your personal data and whether they are used in compliance with the purpose,
- To know the third persons, to whom your personal data are transferred in Turkey and abroad,
- In case your personal data are processed incompletely or incorrectly, to request the correction thereof and to request that any operation carried out in this context is reported to the third persons, to whom your personal data is transferred,
- Despite being processed in compliance with the provisions of this Law and other relevant laws, to request that personal data shall be erased or destructed in the event that the reasons for the processing no longer exist and any operation carried out in this context is reported to the third persons, to whom your personal data is transferred,
- To object to the occurrence of a result against you, if any, by analyzing the data processed solely through automated systems,
- To claim compensation if you sustain damage due to unlawful processing of your personal data.
